- May 31: Track and Field Day:
All School, Dismissal @
1:00 p.m.

We have a big change to announce to our special education program. We have decided to give ourselves an official name: The Bishop Mussio Schools Honoring Other People's Exceptionalities Program (H.O.P.E). We will be using this name now in publications and throughout the school. We will be kicking off our name change with our special education families in April. Please share this information with others!

The month of April is National Autism Awareness Month. We will be celebrating our students on the Autism spectrum April 11th by "Lighting It Up Blue." We will be selling blue leis, blue glow stick necklaces and blue Autism Awareness bracelets. More information will be sent home with your son or daughter.
